Category

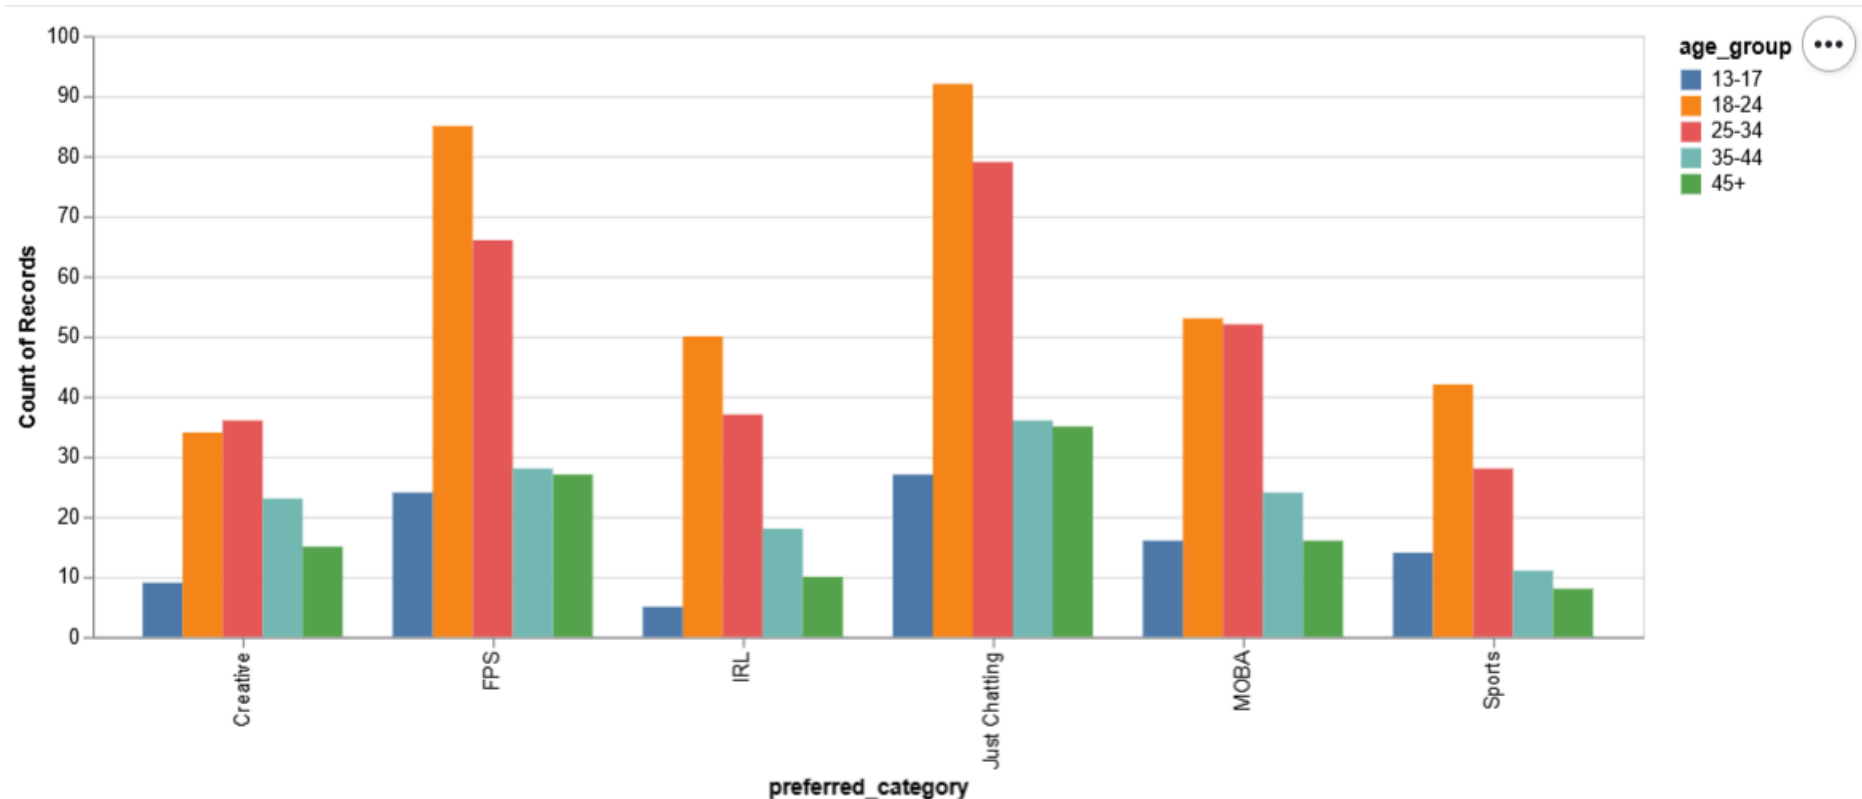

The most popular category among Streamers is

JustChatting

Category

- The majority of viewers in all age groups prefer Justchatting category over any other category

Followers and Partner Status

Streamers that have partner on average have more followers 3.79 (SD= 3.78) millions than those who do not have partners 0.36 (SD= 0.15) millions.

This is expected as companies that partner with streamers search for those with higher number of followers.
